## VI. PROCEDURES

### A. Initial Grievance

#### 1. Inmate Responsibilities

- a. The Department encourages inmates to express their concerns to staff through respectful, constructive, verbal communication in order that problems are resolved as soon as possible.
- b. The Inmate Grievance System is intended to deal with a wide range of issues, procedures, or events that may be of concern to inmates. It is not meant to address incidents of an urgent or emergency nature. When faced with an incident of an urgent or emergency nature, the inmate should contact the nearest staff member for immediate assistance.
- c. It shall be the responsibility of the Unit Manager or Officer-In-Charge to address written or verbal concerns submitted by inmates in an expedient manner. The Unit Manager or Officer-In-Charge shall review the concern, determine a resolution or take other appropriate action. It is preferable, when possible, to resolve concerns quickly and informally rather than through the official grievance process. The Unit Manager or Officer-In-Charge shall document the results of the resolution, including the parties involved in the **DC-14**.
- d. Where an inmate has a concern that he/she is unable to resolve, the inmate is encouraged to resolve the concern informally by use of a **DC-135A, Inmate Request to Staff** or direct conversation with the Unit Manager or Officer-In-Charge. Staff who receive verbal or written concerns from an inmate are expected to attempt to resolve any non-frivolous concerns.
- e. While every effort should be made to resolve concerns informally prior to filing an official grievance, failure to attempt to informally resolve concerns will not be cause to reject an official grievance. However it will be considered in any appeal.
- f. A grievance must be submitted to the Facility Grievance Coordinator using the **DC-804, Part 1 - Grievance Form (See Attachment A)**. All grievances must be signed and dated by the inmate. Forms will be readily available on all housing units. All copies, with the exception of the inmate's copy (**GOLDEN ROD**), shall be forwarded to the Facility Grievance Coordinator. The **PINK** copy will be returned to the inmate, acknowledging acceptance of the grievance.
- g. The inmate shall include a statement of the facts relevant to the claim. The text of the grievance shall be legible, presented in a courteous manner, and the statement of facts shall not exceed two pages. The inmate should identify any persons who may have information that could be helpful in resolving the grievance. The inmate should also include information on attempts to resolve the matter informally. The inmate may also specifically state any claims he/she wishes to make concerning violations of Department directives, regulations,

---

court orders, or other law. The inmate may include a reasonable request for compensation or other legal relief normally available from a court.

- h. Grievances must be submitted by the inmate for Initial Review to the Facility Grievance Coordinator within 15 working days after the event upon which the claim is based.
- i. A grievance must be filed with the Facility Grievance Coordinator at the facility where the grievance occurred.
- j. All grievances shall be presented individually. Any grievance submitted by a group of inmates **will not** be processed.
- k. Grievances and appeals based on different events shall be presented separately, unless it is necessary to combine the issues to support the claim.
- l. All grievances and appeals must be presented in good faith and for good cause. No inmate shall be punished, retaliated against, or otherwise harmed for good faith use of this grievance system. Deliberate misuse of the grievance system may result in restricted access or disciplinary action, at the discretion of the Facility Manager/designee.
- m. Only an inmate who has been personally affected by a Department or facility action or policy shall be permitted to seek review of a grievance or appeal. The inmate must sign and date the grievance or appeal.
- n. At any point in the grievance process, the inmate may withdraw the grievance. To withdraw a grievance, an inmate may write on the original grievance "I wish to withdraw this grievance," sign and date the original grievance form or submit a request form to the Facility Grievance Coordinator, identifying the grievance, by number, to be withdrawn.

## B. Initial Review

### 1. Staff Responsibilities

- a. The Facility Grievance Coordinator shall assign a grievance tracking number to all grievances (even rejected grievances) upon receipt and enter all grievances into the Automated Inmate Grievance Tracking System. The Facility Grievance Coordinator is also responsible for entering the facility's disposition of the grievance at each step of the grievance process.
- b. The Facility Grievance Coordinator may combine multiple grievances, from the same inmate, that relate to the same subject.
- c. Extensions of time for filing a grievance will be made **only** where the inmate notifies the Facility Grievance Coordinator of the reason for the delay in filing and the Facility Grievance Coordinator determines that the delay in filing was caused by:

- 
- (1) a temporary transfer from the institution where the grievance should have been filed;
  - (2) a permanent transfer to another institution from the institution where the grievance should have been filed;
  - (3) Authorized Temporary Absence (ATA) for an extended period; or
  - (4) other delays with mail delivery.
- d. When the Facility Grievance Coordinator determines that the delay was caused by one of the circumstances listed above, a reasonable extension of time for filing may be permitted. The Facility Grievance Coordinator may consider grievances submitted by inmates released on Authorized Temporary Absence (ATA) for an extended period on a case-by-case basis.
- e. If the Facility Grievance Coordinator determines that the issue being grieved is in accordance with **DC-ADM 804**, the Facility Grievance Coordinator designate a staff member to serve as the Grievance Officer for that issue. The Facility Coordinator shall not designate a staff member to serve as a Grievance Officer who was identified by the inmate as being involved in the issue.
- f. If the Facility Grievance Coordinator determines that the issue being grieved is not in accordance with DC-ADM 804, it shall be returned to the inmate unprocessed with a DC-804 Part 3, Grievance Rejection Form enumerating the reason(s) the grievance was not accepted. (See Attachment C) The grievance, if resubmitted, must be resubmitted under the same grievance number within five working days.
- h. The Grievance Officer may grant the inmate additional time to resolve the grievance informally. In those cases, the inmate shall be granted an additional five working days to re-file the initial grievance.
- i. If the Grievance Officer submits the grievance for formal resolution, he/she shall provide a written response to the inmate within ten working days of receipt of the grievance. The Grievance Officer's response shall be written using **DC-ADM 804 Part 2**. The response shall include a brief rationale, summarizing the conclusions and any action taken or recommended to resolve the issue(s) raised in the grievance. The Grievance Officer shall also include a determination (statement), based upon the facts uncovered during review of the grievance, as to whether the grievance is frivolous. A copy of the response shall be sent to the Facility Grievance Coordinator for tracking purposes.
- j. The Facility Manager/designee may authorize an extension of up to ten additional working days if the investigation of the grievance is ongoing. If an extension is necessary, the inmate shall be so advised in writing.
- k. Grievances dealing with allegations of abuse shall be handled in accordance with Department policy **DC-ADM 001, "Inmate Abuse Allegation Monitoring Process."**

- 
- l. Each Facility Manager/designee shall make provisions for illiterate or non-English speaking inmates to submit grievances, be interviewed, and have translated, any portion of the grievance policy. Extension of the timelines shall be granted in order to secure these services. Facility Managers are authorized to use existing contracts and/or dial-up translation services to provide this service. In the event that a grievance is submitted that is incoherent in nature, the Facility Grievance Coordinator shall designate a Grievance Officer to review the inmate's concern and meet with the inmate, as deemed necessary, to resolve or clarify the issue.
  - m. Each Facility Manager shall install lockboxes designated for inmate grievances and/or Inmate Request to Staff forms in all Level 5 Housing Units. The lockboxes shall be placed in a location easily accessible to inmates being escorted to the individual exercise units. Inmates shall be permitted to place **DC-135A, Inmate Request to Staff** forms and/or grievances in this lockbox. If an inmate chooses not to go to an individual exercise unit, he/she may have a staff member place the item in the lockbox.
  - n. The Grievance Coordinator/or designee shall be responsible for the key and retrieval of the lockbox contents each workday.

### C. Appeal to Facility Manager

#### 1. Inmate Responsibilities

- a. The Initial Review decision from the Grievance Officer must be received by the inmate before any appeal to the Facility Manager can be sought.
- b. An inmate may appeal an Initial Review decision, or grievance restriction, to the Facility Manager in writing, within five working days from the date of receipt by the inmate of the Initial Review decision or notice of a grievance restriction.
- c. Only issues that were raised for Initial Review, determinations of frivolousness, and placement on grievance restriction may be appealed. Issues raised for Initial Review and determinations of frivolousness must be raised for appeal at the same time.
- d. The text of an appeal must be legible, presented in a courteous manner, and the statement of facts may not exceed two pages.
- e. All appeals must be clearly labeled as an appeal at the top of the document. In cases appealing an Initial Review decision, the appeal must also include the grievance number at the top of the document. The appeal must clearly identify the Initial Review decision and the basis for the appeal. If the inmate also is appealing a determination of frivolousness, the inmate shall clearly indicate that he/she is also appealing that determination. Only one appeal of any Initial Review will be permitted. Failure to comply may result in the appeal being dismissed.

- 
- f. In cases involving personal property or publication denials, the inmate must clearly notify the Facility Manager or Facility Grievance Coordinator of his/her intent to appeal the issue to the Secretary's Office of Grievances and Appeals if he/she disagrees with the decision from the Initial Review.

## 2. Staff Responsibilities

- a. Exceptions to the five day filing requirement will be made only where the inmate notifies the Facility Manager of the reason for the delay and the Facility Manager determines that the delay in filing was caused by:
  - (1) a temporary transfer from the institution where the grievance should have been filed;
  - (2) a permanent transfer to another institution from the institution where the grievance should have been filed;
  - (3) Authorized Temporary Absence (ATA) for an extended period; or
  - (4) other delays with mail delivery.
- b. Where the Facility Grievance Coordinator determines that the delay was caused by one of the circumstances listed above, a reasonable extension of time for filing shall be permitted.
- c. The Facility Manager shall notify the inmate of his/her decision within fifteen working days of receiving the appeal. This decision may consist of upholding the decision, modification, reversal, remand, or reassignment for further fact-finding. A brief statement of the reason(s) for the decision must be included.
- d. The Grievance Coordinator shall enter the Facility Manager's decision into the Automated Inmate Grievance Tracking System.
- e. When the Facility Manager remands a grievance, the Grievance Officer shall respond within five working days.
- f. Personal Property and publications related to a grievance shall not be disposed of unless it is clearly documented that the inmate has no intent to appeal the decision of the initial review. When an inmate notifies the Facility Manager or Facility Grievance Coordinator of his/her intent to appeal the decision, the property related to the grievance shall be placed in a safe location until final disposition is made by the Secretary's Office of Grievances and Appeals. Following the disposal of the appeal by the Secretary's Office of Grievances and Appeals, the inmate will be provided with his/her options to retain, ship at his/her expense or have the property or publication destroyed.

---

**D. Appeal to Secretary's Office of Inmate Grievances and Appeals**

---

- b. Any inmate who is dissatisfied with the disposition of an appeal from the Facility Manager, may submit an appeal to the Secretary's Office of Inmate Grievances and Appeals, within five working days of receiving the decision. Only issues appealed to the Facility Manager may be appealed at this level.
- c. Exceptions to the five day filing requirement will be made **only** where the inmate notifies the Secretary's Office of Inmate Grievances and Appeals of the reason for the delay and it is determined that the delay in filing was caused by:
  - (1) a temporary transfer from the institution where the grievance should have been filed;
  - (2) a permanent transfer to another institution from the institution where the grievance should have been filed;
  - (3) Authorized Temporary Absence (ATA) for an extended period; or
  - (4) other delays with mail delivery.
- d. If it is determined that a delay was caused by one of the circumstances listed in this paragraph, a reasonable extension of time for filing the formal grievance shall be permitted.
- e. An appeal at this level may not be permitted until the inmate has complied with all procedures established for Initial Review and Appeal to Facility Manager. **(See Sections VI. B and VI. C. above.)**
- f. The text of the appeal shall be legible, presented in a courteous manner, and the statement of facts shall not exceed two pages.
- g. All appeals to the Secretary's Office of Inmate Grievances and Appeals must be addressed to the following:

**Chief, Secretary's Office of Inmate Grievances and Appeals**  
**Department of Corrections**  
**2520 Lisburn Road, P. O. Box 598**

Failure to properly address the appeal will delay the process.

A proper appeal to final review should include photocopies of the initial grievance, Initial Review, Initial Review Response, and the Appeal to

Adjustments shall be made to the various time limitations in order to allow for review.
